

PUBLIC WORKS REPORT

APRIL 20, 2026

Water

- **Repaired three water leaks.**
- **108 water meters installed.**
- **Water valves were checked in the in and out of town areas trying to get pressure up in Hill St. Tower.**
- **Hwy 59 Booster Station running on one motor.
Waiting for Cotrell Electric to get another motor installed.**

Sewer

- **Three jet outs were done.**
- **Lift station on Finde Naifeh was repaired twice.**
- **Comptroller of the Treasury office has set a June 1, 2026, deadline to provide a resolution to the customer complaint on or about Mason Charleston lift station.**
- **City of Covington is extending sewer to Grant Lane.**

Gas

- **Two gas taps were completed.**
- **Two gas lines were repaired.**
- **Waiting for materials to complete new gas services.**

Street

- **All grass has been cut inside city limits.**
- **Ditches on Lucy St and Main St. were cleaned.**
- **Repairs have been made again to backhoe. We are in very much need of a backhoe and mini excavator.**
