

Water and Gas Utility Bills

The Utility Bills for the Town of Mason will be generated later than normal for the month of August 2026, due to unforeseen circumstances. Payments can still be made at the City Hall without your bill. We apologize for any inconvenience. Please call Terry Leggett-Town Administrator or contact Lureatha Harris-Town Recorder for any questions or concerns at (901) 294-3525.

Thank you,

Terry Leggett
